PRO TIPS

1. Use a stable and reliable internet connection
2. Make sure you have access to a power source. Video drains your battery.
3. Find a quiet place and use a headset for the best audio quality
4. Avoid distractions and private behaviors (everyone can see you).
5. Mute your microphone when not talking.
6. Make eye contact with the camera. Speak slowly and clearly to avoid too much movement.
7. For Participant In Meeting Controls, please click [here](#).
