

Selecting Microphone, Speakers and Camera for Zoom

Names of Equipment to Select for Zoom

After joining into the Zoom meeting, please check that the Microphone, Speaker, and Camera are correctly selected. Below, you will find the name of the equipment you should be using in the Questrom Classroom.

Testing your Speaker and Microphone

To ensure that all of the equipment is functioning, we recommend that you test your speaker and microphone by clicking on the '^' next to the microphone icon, then selecting 'Test Speaker and Microphone'. Follow the prompts on the screen to complete the testing.
