

WHAT IS A GRADUATE FEDERAL PLUS LOAN? The Graduate Federal PLUS Loan is a credit-based loan which is available to assist students with the costs of higher education. Eligible graduate loan borrowers are those who are enrolled at least half-time (6 credits) per semester in a graduate or professional degree that leads to a master's, law or medical degree. The credits must be accepted towards the degree program. The student must be a U.S. citizen or permanent resident, must not have an outstanding balance from a prior period of enrollment and must be making satisfactory academic progress per school guidelines.

WHAT IS THE INTEREST RATE? The interest rate for loans disbursed on/after 7/1/20 thru 6/30/21 is 5.30%, fixed for the life of the loan. Interest begins to accumulate on the date of the first loan disbursement, and it continues to be charged during periods of deferment and forbearance. You may either pay the interest as it accrues (the loan servicer will send quarterly interest statements) or you may allow the interest to be capitalized (added to your loan principal balance) at the end of the deferment or forbearance. Capitalization increases the total loan amount that you must repay.

WHEN DOES REPAYMENT BEGIN? The repayment period for the Graduate PLUS loan begins on the date after the final disbursement is made, and the first payment is due within 60 days after the date the loan is fully disbursed. However, if you are enrolled in school on at least half-time basis, you are eligible for an in-school deferment that allows you to postpone payments until you graduate or drop below half-time status. Upon dropping to less than half-time enrollment status, the borrower can get a 6 month post enrollment deferment. The first payment will be due within 45 days after the deferment end date. The loan servicer will notify the student 60 days before the deferment ends.

HOW MUCH CAN I BORROW? Students may borrow annually a Graduate PLUS Loan up to the cost of education less any financial aid the student is receiving. However, students should not borrow more than they are able to repay. There is no cumulative limit on the amount a student can borrow over the course of a student's education. Before deciding on an amount to borrow, students should first consider the Federal Unsubsidized Loan. The maximum borrowing limit on the Federal Unsubsidized Loan is \$20,500 with the interest rate currently set at 4.30%. To begin the application process for a Federal Unsubsidized Loan, the student should complete the Free Application for Federal Student Aid (FAFSA). If you have any questions regarding the Direct Loan Program, contact your Graduate School Financial Aid Office.

A 4.228% fee is deducted from the loan proceeds. Overall, the amount available will be 4.228% less than the loan amount approved. Be sure to consider this when deciding how much to borrow. **Remember, if you need to borrow for two semesters, be sure to include the amounts you would like to request for both semesters in the total loan amount requested.**

WHEN WILL THE LOAN FUNDS BE AVAILABLE? The Graduate PLUS Loan record will be sent to the Direct Loan Center for their credit review of the applicant. If the borrower passes the credit review and all requirements are met, the Direct Loan Center will send Boston University an electronic notification that the loan has been credit approved. Once the Graduate PLUS Loan has been approved by the Direct Loan Center and all loan requirements have been completed, funds for the semester will be credited electronically to the student's account no earlier than 10 days before the start of your loan period and the funds will be available to you no earlier than the first day of classes. If there is a credit balance on your account after the loan funds are credited, you may request a refund with your Graduate Financial Aid Office. If the student does not pass the credit review, the student may appeal the decision or request reevaluation with an endorser (co-signer). Instructions regarding the appeal or endorser will be sent to you with your credit decision. If the PLUS loan is approved via appeal or endorser, the student will be required to complete an online PLUS credit counseling session at StudentLoans.gov prior to the disbursement of the loan. The student will be notified by the Department of Education if you need to complete the PLUS credit counseling requirement. Boston University requests that you contact Boston University Financial Assistance within one month to notify us of any re-evaluation request made to the Direct Loan Center. Failure to notify our office will result in the cancellation of your loan application one month after the initial denial notification and you will be required to start the process over. **BEFORE SUBMITTING:** If you have placed a security freeze on your credit file, you must lift or remove the freeze at each credit bureau before you continue. Your application will not be processed if you have a security freeze.
