If you wish to conduct research in a specific area of interest under the guidance of a faculty member, you may apply for a two or four credit directed study. A directed study may not substitute for a required course or duplicate an elective course already completed or that is offered at the college. Upon completion of the directed study, you will receive a grade from the sponsoring faculty member. The grade will be included in the computation of your grade point average.

Semester: FALL SPRING SUMMER 1 SUMMER 2

Name: _______________________________ BU ID: _______________________________

Phone: _______________________________ Email: _______________________________

Date: _________ Number of Credits for Directed Study (please circle one): 2 4

Faculty Advisor: _______________________________ Department: _______________________________
