We encourage you to read through and watch the instructional videos, which will provide an introduction to platforms and resources available to you. We've also included a summary of a few important upcoming deadlines at the bottom of this email. Please be sure to review them as well.

## Mod 0

You have been added to a course in [Blackboard](#) titled **MOD 0 | FTMBA 2025**. This is a Blackboard page designed to deliver information, resources and instructions that will be relevant to you as you navigate through your MBA journey.

You can access resources and links to recordings of prior virtual sessions under the "Presentation Slides and Recordings" section.

## Outward Bound Important Information

All FTMBA students will be going to the Cathleen Stone Island Outward Bound experience on Friday, August 22. This is a mandatory component of the MBA LAUNCH program.

**Please login to Blackboard and complete the online waiver form in the MOD 0 course, under "Action Required: Cathleen Stone Island Welcome Packet & Waiver". The deadline to submit your waiver is August 11.**
