choosing "*Current Schedule*" from the options under **Class and Grade Information**. If you have any questions regarding your course selections or scheduling, please email mbacenter@bu.edu.

Course dates run from **January 19, 2023 - May 3, 2023**. Final exams will run from **May 8, 2023 - May 12, 2023**

Blackboard Academic Pre-Work Reminder:

All incoming PEMBA students will be added to a course in our [Blackboard](#) learning management system early next week, for the Accounting core course titled Pre-Work – PEMBA Spring 2023. If you will not be taking AC711 this Spring, you may either use this course as an accounting refresher, or ignore it.

For those of you who are registered for AC711 this Spring, this is a required course! Please take some time over the next month to log into this site and complete your **required** academic pre-work to prepare you for your Spring accounting course. You should allow about 15 – 20 hours of total prep time. For those with prior background, the time required should be less!

The deadline for completion is **Sunday January 22nd, 11:59pm**

An email will go out to let you know when you have been added to the course. If the link above doesn't work, please navigate to <https://questromcommon.bu.edu/click?linkid=4a9395b6-3ee1-44f6-8b66-dc5ed9f6a72f> and use your BU credentials to log-in.
